Indian Professional Boxing Association

Dear Sir:

The Association of Ringside Physicians (ARP) is a nonprofit international organization dedicated to promoting the health of combative sport athletes. The ARP sponsors an annual educational conference that is designed to educate ringside physicians. This year we are featuring a guest country at our conference. Dr. Warren Wang from Taiwan will be attending the 2018 conference October 27-28 in Las Vegas, Nevada USA. I have attached a copy of the 2018 conference agenda for your review.

I would like to formally invite you to represent India as the guest country for our 2019 conference. I would hope you can prepare a 20 minute presentation on the topic of your choice. Also I would encourage you to choose two or three other physicians to present topics related to ringside medicine. The location and date of the conference has not been established, however, it will take place in the USA. Please visit the ARP website. (<http://ringsidearp.org>) in order to familiarize yourself with the organization. I would also like to invite Mary Kom to be our special guest speaker at the banquet.

Please do not hesitate to contact me with any question and thank you for considering this invitation.

Best Regards,

Don Muzzi MD
President
