Re: World Boxing Organization [WBO] Congress

To Whom It May Concern:

The World Boxing Organization (WBO) is a private, non-profit organization established to support the development of professional boxing worldwide through its activities of sanctioning championships and ranking contending boxers. The organization is recognized by the International Boxing Hall of Fame (IBHOF), as one of the four major professional boxing world sanctioning bodies, alongside the International Boxing Federation (IBF), the World Boxing Association (WBA), and the World Boxing Council (WBC). The WBO headquarter offices are in San Juan, Puerto Rico. For further information, please visit our official website www.wboboxing.com.

The World Boxing Organization proudly celebrates its 36th edition of its convention (congress) to be hosted in the Dominican Republic at the All-inclusive Barcelo Bavaro Palace in Punta Cana. During the event, seminars are offered to officials by the Association of Boxing Commission [ABC]. Once the interested attendees pass their examinations, they are ultimately certified. Officials must be re-certified every two years.

The Congress is an opportunity to network with Promoters, create liaisons and promote the development of professional boxing at an international level throughout the world with an activity strategy tailored as a backdrop to attain this goal.

Mr. Shahe Ali, Managing Director of the Pro Boxing League Private, Ltd wishes to attend the event to further the development of boxing in India at an international level. His passport information is as follows:

Date of Birth:	20 OCT XXXX	Passport:	Z344XXXX
Date of Issue:	18 JAN XXXX	Date of Expiration:	17 JAN XXXX

All courtesies extended will be greatly appreciated. Thank you.

Cordially,

Doris Companys
